PA201

Riveter

- + Hydro-pneumatic system
- + Comes with 2.4, 3.2, 4.0, 4.8, 6.0, 6.4mm nosepieces.
- + Powerful, durable, high-speed production tool.
- + Performs well at any angle and gets into hard-to-reach areas.
- + Mirror polished cylinder and piston provides less friction and allows the rivets to release quickly.

PA201

Capacity (mm) : 2,4~6,4

Stroke length (mm) : 14

Traction power lb.-f (kg-f) : 3534 (1603)

Air consumption (L/cycle) : 2.32

Air Pressure (bar) : 6,3

Air Pressure (PSI) : 90

Air inlet (inch) : 1/4"

Sound level (dBA) : 79,7

Vibration level (m/s²) : 0,5

Weight (g) : 1800
