SN1288

Needle scaler

- + 12 needles
- + Ideal for reaching narrow working areas
- + Designed for cleaning, rust removal, pickling of metal surfaces

SN1288

Length (mm) : 460

Stroke length (mm) : 32

Blows frequency (Blows per minute) : 5500

Air consumption (L/min) : 84,96

Air Pressure (bar) : 6,3

Air inlet (inch) : 1/4"

Sound level (dBA) : 91

Vibration level (m/s²) : 7,6

Weight (g) : 1300
