DRS101

Cordless reciprocating saw

- + Reciprocating saw only, without charger nor battery
- + Compatible battery: DB1850P (18 V, 5 Ah)
- + Brushless motor
- + Electric brake quickly stops the blade rotation when the trigger is released
- + LED to illuminate the work area
- + Bevel Gear Drive System
- + Tool-less Blade Change
- + Variable-Speed Trigger Switch
- + Selector Lever: straight cutting action / orbital cutting action
- + This reciprocating saw has the option of orbit action to make the blade swing slightly as it cuts, for a maximum cutting efficiency
- + Consumables sold separately (blades)

DRS101

Cutting capacities Metal (mm) : 20

Cutting capacities - Wood (mm) : 200

Stroke length (mm) : 29

Strokes per minute (RPM) : 3100

Length (mm) : 410

Weight (kg) : 2.7
