DW401

1/2" Cordless Compact impact wrench (813 Nm)

- + Impact wrench only, without charger nor battery
- + Compatible battery: DB1850P (18 V, 5 Ah)
- + The brushless motor heats less, is more efficient and lasts longer.
- + 3 levels of power for better machine control
- + Instant stop when the trigger is released: prevents damage to the object and secures the user
- + Forward/reverse selector on the sides
- + LED to illuminate the work area
- + Detachable belt hook
