## **PA203N**

## Riveter

- + Hydropneumatic system
- + Alloy steel jaws
- + Cylinder and piston with chrome finish to limit friction and allow rivets to be released quickly
- + 360° use
- + Designed for intensive use

PA203N
--------

Capacity (mm): 3.2 ~6.4

Stroke length (mm): 16

Traction power (lb.-f): 2640

Traction power (kg-f): 1200

Air consumption (L/cycle): 1.48

Air Pressure (bar): 6.3

Air Pressure (PSI): 90

Air inlet (inch): 1/4"

Sound level (dBA): 79.7

Vibration level (m/s²): 0.5

Weight (kg): 1.5
