DG501

Cordless Angle grinder

- + Grinder only (without charger nor battery).
- + Spindle lock button for easy disc change.
- + 1-position on/off button ("dead man's").
- + Speed variator: 6 speeds.
- + The protection casing can be adjusted easily and without tools.
- + Consumables sold separately (ø125 mm Grinding disc).
- + Compatible battery: DB1850P (18 V, 5 Ah).
- + The brushless motor heats less, is more efficient and lasts longer.
- + The brushless motor is electronically managed, which improves the responsiveness of the Angle grinder when starting and stopping.
- + 3 positions handle.
