DPW101

Cordless pressure washer

- + Pressure washer only, without charger nor battery.
- + Compatible battery: DB1850P (18 V, 5 Ah).
- + High precision 4-in-1 multi pattern nozzle (rotating turbo nozzle, 20°fixed nozzle, 60°fixed nozzle, 0°pencil jet).
- + Foaming nozzle allowing for a mist/ fog setting.
- + 4 M low-pressure inlet hose.
- + Easy twist connection for lance and nozzle.
- + Water gun utilizes a three-piston pump with super silent anti-vibration technology to clean both quietly yet thoroughly.
- + Dual trigger system with double click power control to operate at low or high power.
- + Accessories include : - 1 quick-connect 4M water inlet hose for drawing fresh water from any source (a bucket, a pool, a can, a pond etc.) - 2 lances of 28,5 cm each or 57 cm total length - 1 foaming nozzle to apply detergent - 1 multi-pattern 4-in-1 nozzle.
- + Accessories are attached via the innovative twister system, requiring only an easy push-and-twist motion to connect or disconnect.
- + The water inlet hose may also be connected to a water tap (accessory needed non included).
- + No more individual brass nozzle tips that get lost! Here you get a modern and a super convenient all in one nozzle head - just turn for different tasks/ needs.
- + Metal Pump with no possible leak of water and oil.
- + Aluminium blend pump housing offering longer shelf life and a 25% higher yield than a plastic housing.

DPW101

Length (mm) : 876

Battery voltage (V) :

Max. air pressure (bar) : 25

Max pressure (psi) : 400

Hose length (mM) : 4

Battery capacity (Ah) :

Compatible with :

Water flow (L/min) : 2.8

Water flow (L/hour) : 168

Lance length (cm) : 2 x 28.5

Weight (kg) : 1.72
