DCCS101

Cordless pruning chainsaw

- + Cordless pruning chainsaw (bare tool).
- + Compatible battery : DB1850P (18V, 5 Ah).
- + Mechatronic chain brake.
- + Safety trigger with dual switch to avoid unintentional startup.
- + Rubber handle to reduce vibration when working.
- + Brushless motor (carbonless) heats up less providing a more efficient and longer lasting use.
- + Adjusting SDS chain does not require any tool which is easier to power on and allows for a quicker maintenance and setting.
- + The automatic chain lubrication system creates a smoother efficient cut and extends product lifetime.
- + Oil indicator allows to check oil level without disassembling.
- + Best suited for cutting branches and pruning trees.

DCCS101

Chain pitch : 3/8" LP (9,5mm)

Chain speed (m/s) : 9.3

Guide length (mm) : 254

Type of guide : AP10-40-437P

Chain type : E43-FL-40E

Dimensions W x D x H (mm) : 451 x 255 x 198

Cutting length (mm) : 200

Oil tank capacity (ml) : 120

Weight (kg) : 2.7
